A photographic journey, presented by the Arnhem Land Progress Aboriginal Corporation (ALPA), in recognition of the Yolŋu people of East Arnhem Land, Northern Territory, and the contribution our people have made in building better futures and stronger communities. We share with you a small part of our history and the foundations that were set by the people who were here before us, and we acknowledge their strength and achievements.

The Gumurr'manydji Manapanmirr Djäma (Making successful business together) Virtual Gallery can be found through the [MAGNT website](#)
