# #NedinDarwin Challenge 18 Jan

To celebrate the *Sidney Nolan's Ned Kelly series* exhibition travelling to Darwin, MAGNT is attempting an Australian record for the most Ned Kelly lookalikes gathered in one place!

Join over 100 others for the official record count at the museum on Saturday 18 January! Everyone is welcome! Simply sport a Ned Kelly-inspired helmet (like this one!) or a Kelly-style beard and moustache (real or fake!) and join in the fun!
